

## Warringah Amateur Swimming Association

### 2018 Swimming Scholarships

Throughout the season, WASA swimming clubs and their members can benefit from several valuable services including affordable insurance for members and a race programme specifically designed so give Peninsula's swimmers opportunities to compete members of other clubs in a friendly environment.

Each club maintains its individual identity, and is able to focus on the promotion of swimming in accordance with the official swimming rules, as a sport and recreational activity.

Once again this year, we are offering several Swimming Scholarships, as outlined below:

- ❖ The Dick Gallie Memorial Scholarship
- ❖ Up to Four Warringah Amateur Swimming Association Winter Training Scholarships
- ❖ Five Northern Beaches Council Awards comprising Entry Passes to the Warringah Aquatic Centre to be used in conjunction with training with Big Blue

Swimmers may be nominated for one, two or three scholarships, but may only win ONE scholarship in any year. We welcome nominations from all member clubs, to be sent by e-mail

to: [info@warringahswimming.asn.au](mailto:info@warringahswimming.asn.au)

by **Friday 13 April 2018**.

These Scholarships reward a commitment to swimming within any of WASA's member clubs. They are also intended to encourage swimmers who have proved their commitment to the sport and supported the Association, not necessarily those who have recorded the fastest times.

Swimmers nominated should have demonstrated a good all-round attitude, as well as swimming skill, which will benefit them from being a successful WASA scholar.

We look forward to receiving nominations, through clubs, on behalf of applicants whom the club considers suitable.

# The Northern Beaches Council Entry Passes to the Warringah Aquatic Centre

## Mission Statement

Thanks to the generosity of the Northern Beaches Council, Warringah Amateur Swimming Association is pleased to offer up to five Scholarships throughout the 2018 winter swimming season (May to September), giving each swimmer entry to the Warringah Aquatic Centre to attend training sessions with Big Blue Swimming.

## Assessment Criteria

An applicant must:

- be a registered member of WASA
- reside within the Northern Beaches Council area
- train with Big Blue Swimming at the Warringah Aquatic Centre

Clubs are asked to nominate swimmers who meet the above criteria and, in 50 words or less, outline why their candidate/s should be successful.

Clubs must indicate how many attendances the candidate has completed at their club from October 2017 and how many WASA events the candidate has attended from September 2017 by the date of submission.

Please also state the level of squad attended and the number of squad sessions per week the applicant attends with Big Blue Swimming.

No correspondence on the Scholarships will be entered into.

## General Notes

The number of swimmers a club may nominate for the WASA Scholarships is not restricted. **Please use a separate form for each candidate.**

A Dick Gallie Memorial Award candidate may also be nominated for a WASA Scholarship and a Northern Beaches Council Award. However, a candidate may only win one scholarship in any year.

WASA Scholarships are open to swimmers of any age.

Please email applications to: [info@warringahswimming.asn.au](mailto:info@warringahswimming.asn.au)

by **Friday 13 April 2018.**

**LATE APPLICATIONS WILL NOT BE CONSIDERED.**
