

Warringah Amateur Swimming Association

2018 Swimming Scholarships

Throughout the season, WASA swimming clubs and their members can benefit from several valuable services including affordable insurance for members and a race programme specifically designed so give Peninsula's swimmers opportunities to compete members of other clubs in a friendly environment.

Each club maintains its individual identity, and is able to focus on the promotion of swimming in accordance with the official swimming rules, as a sport and recreational activity.

Once again this year, we are offering several Swimming Scholarships, as outlined below:

- ❖ The Dick Gallie Memorial Scholarship
- ❖ Up to Four Warringah Amateur Swimming Association Winter Training Scholarships
- ❖ Five Northern Beaches Council Awards comprising Entry Passes to the Warringah Aquatic Centre to be used in conjunction with training with Big Blue

Swimmers may be nominated for one, two or three scholarships, but may only win ONE scholarship in any year. We welcome nominations from all member clubs, to be sent by e-mail

to: info@warringahswimming.asn.au

by **Friday 13 April 2018**.

These Scholarships reward a commitment to swimming within any of WASA's member clubs. They are also intended to encourage swimmers who have proved their commitment to the sport and supported the Association, not necessarily those who have recorded the fastest times.

Swimmers nominated should have demonstrated a good all-round attitude, as well as swimming skill, which will benefit them from being a successful WASA scholar.

We look forward to receiving nominations, through clubs, on behalf of applicants whom the club considers suitable.

The Warringah Amateur Swimming Association Winter Training Scholarship

Mission Statement

As part of its commitment to providing ongoing support to its members, The Committee of the Warringah Amateur Swimming Association is offering up to four Training Scholarships throughout the winter swimming season (May to September) for coaching at an approved training provider of their choice.

The Scholarships, valued at \$200 each, will enable up to four WASA swimmers to attend professionally-managed training sessions with qualified coaches at a centre of his or her choice during the 2018 winter terms.

This Scholarship is designed to maintain the momentum a swimmer has gained though the summer season and allow him or her to experience professional coaching.

Assessment Criteria

Clubs are asked to nominate swimmers and, in 50 words or less, outline why their candidate should be successful.

Clubs need to indicate how many attendances the candidate has completed at their club from October 2017 by the date of submission.

Please also indicate how many WASA events the candidate has attended from September 2017.

No correspondence on the Scholarships will be entered into.

General Notes

The number of swimmers a club may nominate for the WASA Scholarships is not restricted. **Please use a separate form for each candidate.**

A candidate for the Dick Gallie Memorial Award may also be nominated for a WASA Scholarship and a Northern Beaches Council Scholarship and vice versa.

WASA Scholarships are open to swimmers of any age.

Please email applications to: info@warringahswimming.asn.au

by **Friday 13 April 2018.**

LATE APPLICATIONS WILL NOT BE CONSIDERED.

WASA Winter Training Scholarship Application Form
