

## WARRINGAH AMATEUR SWIMMING ASSOCIATION 2019 SWIMMING SCHOLARSHIPS

The Warringah Amateur Swimming Association takes great pride in its ability to provide numerous benefits to our member clubs and swimmers. In 2019, we are pleased to once again be in a position which enables us to provide several Swimming Scholarships to our swimming members.

Successful past recipients of these scholarships have demonstrated a commitment to swimming within their own clubs and within the Association. Designed to encourage swimmers who have proven their commitment to the sport of swimming, these scholarships do not necessarily recognise the fastest swimmers, but those who are bettering themselves and contributing to their clubs in a meaningful way.

In 2019, we are offering the following Swimming Scholarships, detailed below:

- The Dick Gallie Memorial Scholarship
- Up to four Warringah Amateur Swimming Association Winter Training Scholarships
- Five Northern Beaches Council Awards comprising Entry Passes to the Warringah Aquatic Centre to be issued in conjunction with training with Big Blue

Swimmers nominated should have demonstrated a good all-round attitude, as well as swimming skill, which will benefit them from being a successful WASA scholar.

A swimmer may be nominated for one, two or three scholarships, **but may only win one scholarship** in any year. All nominations received from member clubs will be carefully considered by the Selection Committee, with the winners announced at the Association's Annual General Meeting on 6 May 2019.

We look forward to receiving nominations, **through clubs**, on behalf of applicants whom the club considers suitable. All nominations should be sent to [info@warringahswimming.asn.au](mailto:info@warringahswimming.asn.au) by **Friday 19 April 2019**.

# THE WARRINGAH AMATEUR SWIMMING ASSOCIATION WINTER TRAINING SCHOLARSHIP

## Mission Statement

As part of its commitment to providing ongoing support to its members, The Committee of the Warringah Amateur Swimming Association is offering up to four Training Scholarships throughout the winter swimming season (May to September) for coaching at an approved training provider of their choice.

The Scholarships, valued at \$200 each, will enable up to four WASA swimmers to attend professionally-managed training sessions with qualified coaches at a centre of his or her choice during the 2019 winter terms.

This Scholarship is designed to maintain the momentum a swimmer has gained through the summer season and allow him or her to experience professional coaching.

<b>Rules</b>	<b>Assessment Criteria</b>
<ul style="list-style-type: none"><li>• Clubs may nominate multiple swimmers</li><li>• There are no age restrictions</li><li>• Nominated swimmers must be registered with WASA</li></ul>	<ul style="list-style-type: none"><li>• Attendance at club events</li><li>• Attendance at WASA events</li><li>• Commitment to training</li></ul>
